Life Groups

The hub of our ministry and key way to get connected is found in our weekly fellowships called Life Groups. These groups begin meeting in the fall and we would love to have you check them out. Most are sermon-based (digging deeper into the topic of the previous week's message) and are designed to fit whatever stage of life you are in, from college to senior adult. Contact Pastor Tim if you have questions (406-899-0908).
